PRESS RELEASE

FOR IMMEDIATE RELEASE

Date: 16th August 2021

DEFIBRILLATOR INSTALLED AT LEYLAND TRADING ESTATE

Whittle Jones, agents acting on behalf of Northern Trust Company Ltd, are pleased to announce that they have installed a defibrillator at their Leyland Trading Estate in Wellingborough.

Leyland Trading Estate which extends to over 230,000 sq ft of multi-let industrial space is home to over 130 different businesses which support in excess of 1,000 jobs.

Hafiz Khandwala, Managing Director of Aqua Natural Ltd who occupy unit 50, and played an integral part in organising for the defibrillator to be fitted on the estate commented "I am delighted that Leyland Trading Estate has now got a defibrillator installed near the estate office. I would like to thank Whittle Jones in general, but in particular Richard Suart for acquiescing to the request and agreeing to pay for and install the equipment. Research shows that deploying a defibrillator within 5 minutes of someone collapsing can increase the chances of survival by up to 70%. With delays in ambulances getting to patients, this generous gesture by Whittle Jones could actually save lives."

Richard Suart, Regional Property Manager at Whittle Jones added "It is great that we have been able to facilitate the installation of a defibrillator at Leyland Trading Estate. In the event of an emergency having this life saving equipment on hand is a welcome addition for our occupiers on this extensive site."

For more information on Leyland Trading Estate and the available space please visit the dedicated website at: www.leylandtradingestate.co.uk or call the team on 0121 523 2929.
